

Dear friends

Warm greetings to you all!

This is an invitation for you, your family and friends to a 'Healing & Prophetic Seminar' jointly hosted by 'One Desire' House of Prayer and AlphaNZ on May 29th and the 30th. We are privileged & honored to host Graeme & Sabrina Walsh, originally from Hawke's Bay, now in Kansas City, USA and leaders at International House of Prayer. Here's a short description of their ministry which will involve teaching as well as ministry times.

"Graeme and Sabrina Walsh, born and bred in Hawke's Bay have had the privilege to serve at the International House of Prayer in Kansas City for the past 7 years. While in Kansas City, they both served on the leadership team that founded the healing and prophetic rooms and also in the training of people to minister in the healing and prophetic gift within IHOP and the Forerunner Bible School at IHOP.

Graeme and Sabrina combine their gifting and teachings in a down to earth Kiwi style. They regularly teach seminars equipping the body in healing, prophetic, and deliverance and carry an anointing that has brought healing and deliverance to many. Graeme and Sabrina draw from their own personal journey, which helps others to embrace the freedom found only in God's love.

Miracles, healings and prophetic insight manifest regularly at their meetings both nationally and internationally."
